

BLIMP NET CLEANING SCHEDULE
2019

Please note I have rotated first of last year to end of this season. This is how I will rotate the list from now on. Last year the net was not put in early so groups did not have to do it till late in the season. This year net will hopefully be in early. That is why dates do not seem changed much. Thank you for your help.

If this is not the contact person please tell me who is: I need contacts and emails : thank you.
